EEC Symbol (e-mark)		Min. font size of 3mm, arranged in the immediate vicinity of the content disclosure	The so-called EEC symbol "e" can be found on pre-packaged goods printed next to the fill quantity. The filler confirms that the pre-packaging complies with the common rules of the European Union. It is a voluntary indication of the manufacturer. This is not mandatory. The sign says nothing about the quality of the goods. This symbol signals that the producer adheres, and is responsible for, the control of the legal requirements.
